The interest so payable on any Interest Payment Date will, subject to certain exceptions provided in the hereinafter defined Bond Ordinance, be paid to
the person in whose name this Bond is registered at the close of business on the Record Date (which is the 15th calendar day of the month next preceding an Interest Payment Date). Any interest not punctually paid or duly provided for shall be payable as provided in the Bond Ordinance.

This Bond is one of an authorized issue aggregating in principal the sum of ____________ Dollars ($__________ ) (the "Bonds"), all of like tenor and effect except as to number, interest rate, denomination, and maturity, said Bonds having been issued by the Issuer pursuant to an ordinance adopted on June 16, 2016 (the "Bond Ordinance"), for the purpose of defeasing and refunding the callable maturities of the Issuer’s outstanding Refunding and Public Improvement Bonds, Series 2006, dated July 31, 2006, and paying the costs of issuance thereof, under the authority conferred by Chapter 14-A of Title 39 of the Louisiana Revised Statutes of 1950, as amended, and other constitutional and statutory authority, pursuant to all requirements therein specified.

The Bonds are not callable for redemption prior to their stated dates of maturity.

In the event a Bond is of a denomination larger than $5,000, a portion of such Bond ($5,000 or any multiple thereof) may be redeemed. Official notice of such call of any of the Bonds for redemption will be given by first class mail, postage prepaid, by notice deposited in the United States mails not less than thirty (30) days prior to the redemption date addressed to the registered owner of each Bond to be redeemed at his address as shown on the registration books of the Paying Agent.

In the event of redemption of less than all of the outstanding Bonds of like maturity, such Bonds shall be redeemed by lot or in such other manner as shall be deemed fair and equitable by the Paying Agent for random selection.

The Bonds may be transferred, registered and assigned only on the registration books of the Paying Agent, and such registration shall be at the expense of the Issuer. A Bond may be assigned by the execution of an assignment form on the Bonds or by other instruments of transfer and assignment acceptable to the Paying Agent. A new Bond or Bonds will be delivered by the Paying Agent to the last assignee (the new registered owner) in exchange for such transferred and assigned Bonds after receipt of the Bonds to be transferred in proper form. Such new Bond or Bonds shall be in the denomination of $5,000 for any one maturity, or any integral multiple thereof within a single maturity. Neither the Issuer nor the Paying Agent shall be required to issue, register the transfer of, or exchange any Bond during a period beginning at the opening of business on the 15th calendar day of the month next preceding an Interest Payment Date and ending at the close of business on the Interest Payment Date.

This Bond and the issue of which it forms a part are payable solely from and secured by an irrevocable pledge and dedication of the Issuer’s portion of (i) the one-half of one percent (1/2%) sales and use tax levied and collected in the Issuer by the Parish of Jefferson, State of Louisiana (the "Parish") pursuant to Ordinance No. 2587 adopted on November 10, 1954, as amended, under the authority of Act 188 of 1954 of the Louisiana Legislature and a special election held in the Parish on October 5, 1954, as amended at a special election held on January 12, 1971; (ii) the one-half of
one percent (1/2%) sales and use tax levied and collected in the Issuer by the Parish pursuant to Ordinance No. 7766 adopted on June 20, 1966, as amended by Ordinance No. 7886 adopted on August 25, 1966, under the authority of Act 29 of the Extraordinary Session of the Legislature of Louisiana for the year 1964 (R.S. 33:2737.1) and a special election held in the Parish on May 3, 1966, and (iii) the two-thirds of one-half percent (2/3 of 1/2%) (1/3%) sales and use tax levied and collected in the Issuer by the Parish pursuant to Ordinance No. 14646 adopted on February 11, 1981, under authority of Article VI, Section 29 of the Louisiana Constitution of 1974, and a special election held in the Parish on January 17, 1981 ("Revenues of the Tax"), now being levied and collected within the Issuer by the Parish (the "Tax"). This Bond constitutes a borrowing solely upon the credit of the Revenues of the Tax received by the Issuer and does not constitute an indebtedness or pledge of the general credit of the Issuer within the meaning of any constitutional or statutory provisions relating to the incurring of indebtedness. The Parish, through its governing authority by proper ordinances and/or resolutions, is recognized as being bound under the terms and provisions of law to levy, impose, enforce and collect the Tax and not to discontinue or decrease or permit to be discontinued or decreased the Tax in anticipation of the collection of which this Bond and the issue of which it forms a part have been issued, nor in any way make any change which would diminish the amount of said Revenues of the Tax pledged to the payment of the Bonds, until all of the Bonds have been paid in principal and interest. For a complete statement of the revenues from which and conditions under which this Bond is issued, reference is hereby made to the Bond Ordinance.

It is certified that this Bond is authorized by and is issued in conformity with the requirements of the Constitution and statutes of the State of Louisiana. It is further certified, recited and declared that all acts, conditions and things required to exist, to happen and to be performed precedent to and in the issuance of this Bond and the issue of which it forms a part to constitute the same legal, binding and valid obligations of the Issuer have existed, have happened and have been performed in due time, form and manner as required by law, and that the indebtedness of the Issuer, including this Bond and the issue of which it forms a part, does not exceed the limitations prescribed by the Constitution and statutes of the State of Louisiana.

IN WITNESS WHEREOF, the City of Harahan, State of Louisiana, has caused this Bond to be executed in its name by the facsimile or manual signatures of its Mayor and its City Clerk and a facsimile of the corporate seal to be imprinted hereon.

the Legal Opinion Certificate shall be signed by the City Clerk of the Issuer, which signatures may

SECTION 10. Recital of Regularity. This Governing Authority, having investigated the regularity of the proceedings had in connection with this issue of Bonds, and having determined the same to be regular, the Bonds shall contain the following recital, to-wit:

"It is certified that this Bond is authorized by and is issued in conformity with the requirements of the Constitution and statutes of this State."

SECTION 11. Pledge of Revenues of the Tax. The Bonds shall be secured by and payable in principal and interest solely from an irrevocable pledge and dedication of the Revenues of the Tax. Said Revenues of the Tax are hereby irrevocably and irrevocably pledged and dedicated in an amount sufficient for the payment of the Bonds in principal and interest and redemption premium, if any, as they shall respectively become due and payable, and for the other purposes hereinafter set forth in this Bond Ordinance. In compliance with the Bond Ordinance, all of the Revenues of the Tax shall be set aside in a separate fund as herein provided, and shall be and remain pledged for the security and payment of the Bonds and any Additional Parity Bonds, in principal and interest and for all other payments provided for in this Bond Ordinance until the Bonds shall have been fully paid and discharged.

SECTION 12. Flow of Funds. The Parish by proper resolutions and/or ordinances, is obligated to continue to levy and collect the Tax and not to discontinue or decrease or permit to be discontinued or decreased the Tax in anticipation of the collection of which the Bonds have been issued, nor in any way make any change which would diminish the amount of the Revenues of the Tax to be received by the Issuer until all of the Bonds have been paid as to both principal and interest and redemption premium, if any. In order that the principal of and the interest on the Bonds will be paid in accordance with their terms and for the other objects and purposes hereinafter provided, the Issuer further covenants as follows:

In compliance with the Bond Ordinance, all of the avails or proceeds derived from the levy and collection thereof shall be deposited daily as the same may be received in a separate and special bank account maintained with the regularly designated fiscal agent of the Issuer and designated as the "2006 Sales Tax Fund" (hereinafter called the "Sales Tax Fund"). The Sales Tax Fund shall constitute a dedicated fund of the Issuer, from which appropriations and expenditures by the Issuer shall be made solely for the purposes designated in the propositions authorizing the levy of the Tax, including the payment of the Bonds and any Additional Parity Bonds.

Out of the funds on deposit in the Sales Tax Fund, the proceeds of the Tax shall be administered and used in the following order of priority and for the following express purposes:

(i) The maintenance of the "Sales Tax Bond Sinking Fund" (hereinafter called the "Sinking Fund") sufficient in amount to pay promptly and fully the principal of and interest on the Bonds and any Additional Parity Bonds, in the manner provided by the Bond Ordinance, as they severally become due and payable,
by transferring from the Sales Tax Fund, monthly, on or before the 20th day of each month of each year, commencing July 20, 2016, a sum equal to the pro-rata amount of interest falling due on the Bonds on the next Interest Payment Date and the pro-rata amount of the principal on the Bonds falling due on the next principal payment date, together with such additional proportionate sum as may be required to pay said principal and interest as the same respectively become due. Said fiscal agent shall transfer or cause to be transferred from the Sinking Fund to the paying agent bank or banks for all bonds payable from the Sinking Fund at least three (3) days in advance of the date on which payment of principal or interest falls due, funds fully sufficient to pay promptly the principal and interest so falling due on such date.

All or any part of the moneys in the Sales Tax Fund and Sinking Fund shall, at the written request of the Issuer, be invested in Qualified Investments, except for Bond proceeds representing accrued interest, if any, which shall be invested in Government Securities maturing in five (5) years or less. All income derived from such Qualified Investments shall be added to the Sales Tax Fund, and such investments shall, to the extent at any time necessary, be liquidated and the proceeds thereof applied to the purposes for which the Sales Tax Fund was created.

All moneys remaining in the Sales Tax Fund on the 20th day of each month after making the required payments into the Sinking Fund for the current month and for prior months during which the required payments may not have been made, shall be considered as surplus. Such surplus may be used by the Issuer for any of the purposes for which the imposition of the Tax is authorized or for the purpose of retiring Bonds in advance of their maturities, either by purchase of Bonds then outstanding at prices not greater than the redemption prices of said Bonds or by retiring such Bonds at the prices and in the manner set forth in the Bond Ordinance.

SECTION 13. Parish Obligated to Collect Tax. The Parish, through its governing authority by proper ordinances and/or resolutions, is recognized as being bound under the terms and provisions of law to levy, impose, enforce and collect the Tax and to provide for all reasonable and necessary rules, regulations, procedures and penalties in connection therewith, including the proper application of the proceeds of the Tax and the allocation thereof, until all of the Bonds have been retired as to both principal and interest. Nothing herein contained shall be construed to prevent the Parish from altering, amending or repealing from time to time as may be necessary the resolutions and/or ordinances adopted providing for the levying, imposition, enforcement and collection of the Tax or any subsequent ordinance providing with respect to the Revenues of the Tax, said alterations, amendments or repeals to be conditioned upon the continued preservation of the rights of the Owners with respect to the Revenues of the Tax. The Tax Ordinance imposing the Tax and pursuant to which the Tax is being levied, collected and allocated, and the obligations to continue to levy, collect and allocate the Tax and to apply the revenues therefrom in accordance with the provisions of this Bond Ordinance, shall be irrevocable until the Bonds have been paid in full as to principal, premium, if any, and interest, and shall not
be subject to amendment in any manner which would impair the rights of the Owners from time to time of the Bonds or which would in any way jeopardize the prompt payment of principal thereof and interest thereon. More specifically, neither the Legislature of Louisiana nor the Parish may discontinue or decrease the Tax or permit to be discontinued or decreased the Tax in anticipation of the collection of which the Bonds have been issued, or in any way make any change which would diminish the amount of the Revenues of the Tax received by the Issuer and pledged to the payment of the Bonds and received by the Issuer, until all of such Bonds shall have been retired as to both principal and interest.

The Owners of any of the Bonds, as hereinafter provided, may, either at law or in equity, by suit, action, mandamus or other proceeding, enforce and compel performance of all duties required to be performed as a result of issuing the Bonds and may similarly enforce the provisions of any ordinance or resolution imposing the Tax and the Bond Ordinance and proceedings authorizing the issuance of the Bonds.

SECTION 14.  **Covenants of the Issuer.** In providing for the issuance of the Bonds, the Issuer does hereby covenant that the Parish recognizes being bound under the terms and provisions of law to continue to levy and collect the Tax until all the Bonds have been retired as to principal and interest, to issue the Bonds and to pledge the Revenues of the Tax as herein provided, and that the Bonds will have a lien and privilege on the revenues of the Tax subject only to the prior payment of the reasonable and necessary costs and expenses of administering and collecting the Tax.

SECTION 15.  **Records and Accounts Relating to Tax.** So long as any of the Bonds are outstanding and unpaid in principal or interest, the Issuer shall maintain and keep proper books of records and accounts separate and apart from all other records and accounts in which shall be made full and correct entries of all transactions relating to the collection and expenditure of the Revenues of the Tax, including specifically but without limitation, all reasonable and necessary costs and expenses of collection.

Not later than six (6) months after the close of each Fiscal Year, the Issuer shall cause an audit of such books and accounts to be made by the Legislative Auditor of the State of Louisiana (or his successor) or by a recognized independent firm of certified public accountants showing the receipts of and disbursements made for the account of the Sales Tax Fund. Such audit shall be available for inspection upon request by the Owners of any of the Bonds. The Issuer further agrees that the Paying Agent and the Owners of any of the Bonds shall have at all reasonable times the right to inspect the records, accounts and data of the Issuer relating to the Tax.

SECTION 16.  **Issuance of Refunding and Additional Parity Bonds.** All of the Bonds shall enjoy complete parity of lien on the Revenues of the Tax despite the fact that any of the Bonds may be delivered at an earlier date than any other of the Bonds. The Issuer shall issue no other bonds or obligations of any kind or nature payable from or enjoying a lien on the avail or proceeds of the Tax having priority over or parity with the Bonds, except that bonds may hereafter be issued on a parity with the Bonds under the following conditions:
(a) The Bonds or any part thereof, including interest and redemption premiums thereon, may be refunded with the consent of the owners thereof (except that as to Bonds which have been properly called for redemption and provisions made for the payment thereof, such consent shall not be necessary) and the refunding Bonds so issued shall enjoy complete equality of lien with the portion of the Bonds which is not refunded, if there be any, and the refunding bonds shall continue to enjoy whatever priority of lien over subsequent issues that may have been enjoyed by the Bonds refunded.

(b) Additional Parity Bonds may also be issued, and such Additional Parity Bonds shall be on a parity with the Bonds herein authorized if all of the following conditions are met:

(i) Additional bonds or other indebtedness ranking on a parity in the Revenues with the Bonds ("Parity Debt") may be issued if the Issuer can demonstrate that for two calendar years, for which an audit is available, immediately preceding the proposed issuance of additional Parity Debt, it had average annual tax revenues equal to $1.50x the debt service requirements for both all outstanding indebtedness prior to the issuance of any additional debt and the additional Parity Debt proposed to be issued.

(ii) The payments to be made into the various funds provided for in Section 10 hereof must be current;

(iii) The existence of the facts required by paragraphs (i) and (ii) above must be determined and certified to by the Treasurer of the Issuer, or by an independent firm of certified public accountants who have previously audited the books of the Issuer or by such successors thereof as may have been employed for that purpose;

(iv) The Additional Parity Bonds must be payable as to principal on June 1st of each year in which principal falls due, beginning not later than three (3) years from the date of issuance of said Additional Parity Bonds and payable as to interest on June 1st and December 1st of each year; and

SECTION 17. Fidelity Bonds for Officers and Employees. So long as any of the Bonds are outstanding and unpaid, the Issuer shall require all of its officers and employees who may be in a position of authority or in possession of money derived from the collection of the Tax, to obtain or be covered by a blanket fidelity or faithful performance bond, or independent fidelity bonds written by a responsible indemnity company in amounts adequate to protect the Issuer from loss.

SECTION 18. Amendments to Bond Ordinance. No material modification or amendment of this Bond Ordinance, or of any ordinance amendatory hereof or supplemental hereto, may be made without the consent in writing of the Owners of two-thirds (2/3) of the aggregate principal amount of the Bonds then outstanding; provided, however, that no such modification or amendment shall permit a change in the maturity of the Bonds or the redemption provisions thereof, or a reduction in the rate of interest thereon, or the promise of the Issuer to pay the principal of and the interest on
the Bonds as the same shall come due from the Revenues of the Tax, or reduce the percentage of owners required to consent to any material modification or amendment of this Bond Ordinance, without the consent of the Owner or Owners of the Bonds.

SECTION 19.  Mutilated, Destroyed, Lost or Stolen Bonds. If (a) any mutilated Bond is surrendered to the Paying Agent, or the Issuer and the Paying Agent receive evidence to their satisfaction of the destruction, loss, or theft of any Bond, and (b) there is delivered to the Issuer and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer or the Paying Agent that such Bond has been acquired by a bona fide underwriter, the Issuer shall execute and upon its request the Paying Agent shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Bond, a new Bond of the same maturity and of like tenor and principal amount, bearing a number not contemporaneously outstanding. In case any such mutilated, destroyed, lost, or stolen Bond has become or is about to become due and payable, the issuer in its discretion may, instead of issuing a new Bond, pay such Bond. Upon the issuance of any new Bond under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith. Every new Bond issued pursuant to this Section in lieu of any mutilated, destroyed, lost, or stolen Bond shall constitute a replacement of the prior obligation of the Issuer, whether or not the mutilated, destroyed, lost, or stolen Bond shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Bond Ordinance equally and ratably with all other Outstanding Bonds. The procedures set forth in the Agreement authorized in this Bond Ordinance shall also be available with respect to mutilated, destroyed, lost or stolen Bonds. The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost or stolen Bonds.

SECTION 20.  Discharge of Bond Ordinance. If the Issuer shall pay or cause to be paid, or there shall be paid to the Owners, the principal (and redemption price) of and interest on the Bonds, at the times and in the manner stipulated in this Bond Ordinance, then the pledge of the Tax or any other money, securities, and funds pledged under this Bond Ordinance and all covenants, agreements, and other obligations of the Issuer to the Owners of Bonds shall thereupon cease, terminate, and become void and be discharged and satisfied, and the Paying Agent shall pay over or deliver all money held by it under this Bond Ordinance to the Issuer.

SECTION 21.  Defeasance. (i) If the Issuer shall pay or cause to be paid to the Owners of all Bonds then outstanding, the principal and interest to become due thereon, at the times and in the manner stipulated therein and in the Bond Ordinance, then the covenants, agreements and other obligations of the Issuer to the Owners shall be discharged and satisfied. In such event, the Paying Agent shall, upon the request of the Issuer, execute and deliver to the Issuer all such instruments as may be desirable to evidence such discharge and satisfaction and the Paying Agent shall pay over or deliver to the Issuer all moneys, securities and funds held by them pursuant to the Bond Ordinance which are not required for the payment of Bonds not theretofore surrendered for such payment.
Bonds or interest installments for the payment of which money shall have been set aside and shall be held in trust (through deposit by the Issuer of funds for such payment or otherwise) at the maturity date thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section. Bonds shall be deemed to have been paid, prior to their maturity, within the meaning and with the effect expressed above in this Section if they have been defeased pursuant to Chapter 14 of Title 39 of the Louisiana Revised Statutes of 1950, as amended, or any successor provisions thereto.

SECTION 22. Successor Paying Agent; Paying Agent Agreement. The Issuer will at all times maintain a Paying Agent meeting the qualifications hereinafter described for the performance of the duties hereunder for the Bonds. The designation of the initial Paying Agent is hereby confirmed and approved. The Issuer reserves the right to appoint a successor Paying Agent by (a) filing with the Person then performing such function a certified copy of a ordinance or ordinance giving notice of the termination of the Agreement and appointing a successor and (b) causing notice to be given to each Owner. Every Paying Agent appointed hereunder shall at all times be a bank or trust company organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers, and subject to supervision or examination by Federal or State authority. The Executive Officers are hereby authorized and directed to execute an appropriate Agreement with the Paying Agent for and on behalf of the Issuer in such form as may be satisfactory to said officers, the signatures of said officers on such Agreement to be conclusive evidence of the due exercise of the authority granted hereunder.

SECTION 23. Effect of Registration. The Issuer, the Paying Agent, and any agent of either of them may treat the Owner in whose name any Bond is registered as the Owner of such Bond for the purpose of receiving payment of the principal (and redemption price) of and interest on such Bond and for all other purposes whatsoever, and to the extent permitted by law, neither the Issuer, the Paying Agent, nor any agent of either of them shall be affected by notice to the contrary.

SECTION 24. Notices to Owners. Wherever this Bond Ordinance provides for notice to Owners of Bonds of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Owner of such Bonds, at the address of such Owner as it appears in the Bond Register. In any case where notice to Owners of Bonds is given by mail, neither the failure to mail such notice to any particular Owner of Bonds, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Bond Ordinance provides for notice in any manner, such notice may be waived in writing by the Owner entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Owners shall be filed with the Paying Agent, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 25. Cancellation of Bonds. All Bonds surrendered for payment, redemption, transfer, exchange or replacement, if surrendered to the Paying Agent, shall be promptly cancelled.
by it and, if surrendered to the Issuer, shall be delivered to the Paying Agent and, if not already cancelled, shall be promptly cancelled by the Paying Agent. The Issuer may at any time deliver to the Paying Agent for cancellation any Bonds previously registered and delivered which the Issuer may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly cancelled by the Paying Agent. All cancelled Bonds held by the Paying Agent shall be disposed of as directed in writing by the Issuer.

SECTION 26. Execution. The Bonds shall be executed in the name and on behalf of the Issuer by the manual or facsimile signatures of the Executive Officers, and the corporate seal of the Issuer (or a facsimile thereof) shall be thereunto affixed, imprinted, engraved or otherwise reproduced thereon. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer before the Bonds so signed and sealed shall have been actually delivered, such Bonds may, nevertheless, be delivered as herein provided, and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Said officers shall, by the execution of the Bonds, adopt as and for their own proper signatures their respective facsimile signatures appearing on the Bonds or any legal opinion certificate thereon, and the Issuer may adopt and use for that purpose the facsimile signature of any person or persons who shall have been such officer at any time on or after the date of such Bond, notwithstanding that at the date of such Bond such person may not have held such office or that at the time when such Bond shall be delivered such person may have ceased to hold such office.

SECTION 27. Arbitrage. The Issuer covenants and agrees that, to the extent permitted by the laws of the State of Louisiana, it will comply with the requirements of the Internal Revenue Code of 1986 and any amendment thereto (the "Code") in order to establish, maintain and preserve the exclusion from "gross income" of interest on the Bonds under the Code. The Issuer further covenants and agrees that it will not take any action, fail to take any action, or permit any action within its control to be taken, or permit at any time or times any of the proceeds of the Bonds or any other funds of the Issuer to be used directly or indirectly in any manner, the effect of which would be to cause the Bonds to be "arbitrage bonds" or would result in the inclusion of the interest on any of the Bonds in gross income under the Code, including, without limitation, (i) the failure to comply with the limitation on investment of Bond proceeds or (ii) the failure to pay any required rebate of arbitrage earnings to the United States of America or (iii) the use of the proceeds of the Bonds in a manner which would cause the Bonds to be "private activity bonds".

The Executive Officers are hereby empowered, authorized and directed to take any and all action and to execute and deliver any instrument, document or certificate necessary to effectuate the purposes of this Section.

SECTION 28. Bonds are "Bank-Qualified". The Bonds are designated as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code. In making this designation, the Issuer finds and determines that:

(a) the Bonds are not "private activity bonds" within the meaning of the Code; and
(b) the reasonably anticipated amount of qualified tax-exempt obligations which will be issued by the Issuer and all subordinate entities in calendar year 2016 does not exceed $10,000,000.

SECTION 29. Publication. A copy of this Bond Ordinance shall be published immediately after its adoption in one issue of the official journal of the Issuer.

SECTION 30. Recordation. A certified copy of this Bond Ordinance shall be filed and recorded as soon as possible in the Mortgage Records of the Parish of Jefferson, State of Louisiana.

SECTION 31. Disclosure Under SEC Rule 15c2-12. The Executive Officers are hereby empowered and directed to execute an appropriate Continuing Disclosure Certificate (substantially in the form set forth in Appendix H of the official statement issued in connection with the sale and issuance of the Bonds) pursuant to S.E.C. Rule 15c2-12(b)(5).

SECTION 32. Post-Issuance Compliance. The Executive Officers and/or their designees are directed to establish written procedures to assist the Issuer in complying with various State and Federal statutes, rules and regulations applicable to the Bonds and are further authorized to take any and all actions as may be required by said written procedures to ensure continued compliance with such statutes, rules and regulations throughout the term of the Bonds.

SECTION 33. Sale of Bonds. The Bonds are hereby awarded to and sold to the Purchaser at the price of par and accrued interest, if any, and under the terms and conditions set forth in the commitment letter attached hereto as Exhibit B, and after their execution and authentication by the Paying Agent, the Bonds shall be delivered to the Purchaser upon receipt by the Issuer of the agreed purchase price.

SECTION 34. Call for Redemption. The Issuer’s $1,850,000 of Public Improvement Refunding Bonds, Series 2006, consisting of the outstanding bonds of that issue, maturing June 1, 2017 to June 1, 2024, inclusive, which are being refunded by the Bonds, as more fully described in Exhibit A hereto, are hereby called for redemption on July 20, 2016, at the principal amount of each bond so redeemed, together with accrued interest to the call date, in compliance with the ordinance authorizing their issuance.

SECTION 35. Notice of Call for Redemption. In accordance with the ordinance authorizing the issuance of the Refunded Bonds, a notice of call for redemption in substantially the form attached hereto as Exhibit C, shall be sent by the paying agent for the Refunded Bonds to the registered owners of the Refunded Bonds as the same appear on the registration books of said paying agent by means of first class mail not less than thirty (30) days prior to the date of redemption.
SECTION 36. Section Headings. The headings of the various sections hereof are inserted for convenience of reference only and shall not control or affect the meaning or construction of any of the provisions hereof.

SECTION 37. Severability. In case any one or more of the provisions of this Bond Ordinance or of the Bonds issued hereunder shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provision of this Bond Ordinance or of the Bonds, but this Bond Ordinance and the Bonds shall be construed and enforced as if such illegal or invalid provisions had not been contained therein. Any constitutional or statutory provision enacted after the date of this Bond Ordinance which validates or makes legal any provision of this Bond Ordinance and/or the Bonds which would not otherwise be valid or legal, shall be deemed to apply to this Bond Ordinance and to the Bonds.

SECTION 38. Effective Date. This Bond Ordinance shall become effective immediately.
